

3 Port Phillip Views Frankston South VIC

3 2 2

Avail now....Step into an inviting home that effortlessly balances comfort and sophisticated design, creating a warm and welcoming environment for you and your family. This thoughtfully designed 3-bedroom plus study residence features a wealth of amenities with a purposely built Resi Lift for wheel chair access to upstairs bedrooms and disabled shower facilities that will make your daily life a true pleasure.

As you step through the inviting entrance, you'll immediately sense the quality and care that have gone into creating this home. The spacious layout flows seamlessly throughout the entire house, beginning with the welcoming foyer. The focal point of this residence is the open-plan living area, which features an abundance of space and natural light.

The property offers three good sized bedrooms, each designed to be a comfortable and private sanctuary. The
